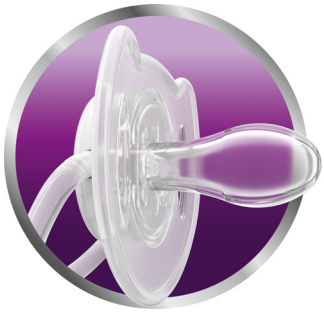
Highlights

User-friendly silicone nipples



The Philips AVENT silicone teat is taste and odor-free so it's more likely to be accepted by your baby. The silicone is smooth, transparent, easy to clean and it doesn't get sticky. The nipple is strong, long-lasting and won't become mis-shapen or discolored over time.

Can be sterilized

Can be sterilized

Dishwasher Safe

Dishwasher Safe

Orthodontic nipple
Philips AVENT flat, drop-shaped symmetrical nipples respect the natural development of your baby's palate, teeth and gums, even if the pacifier ends upside down in the mouth.

Small and lightweight shield
Small and lightweight shield

Security ring handle
For easy removal of the Philips AVENT pacifier at any time.

Airflow holes
Airflow holes for baby's delicate skin
